Description:

B.C. : Best Channel

[Blue color](#): Best Channel according to the train accuracy.

[Red color](#): Best Channel according to the test accuracy.

+: Link to the figures.

(BACK TO RESULT TABLE)

No. of Channels: 1
Previous Selected Channels: –
No. of Subjects: 30
Baseline Channel: –
Task: REO

Figure 1: Search for the first best channel with 30 subjects.

(BACK TO RESULT TABLE)

No. of Channels: 1
Previous Selected Channels: –
No. of Subjects: 30
Baseline Channel: T10
Task: REO

Figure 2: Search for the first best channel with 30 subjects, T10 is removed as baseline.

No. of Channels: 1
Previous Selected Channels: –
No. of Subjects: 40
Baseline Channel: –
Task: REO

Figure 3: Search for the first best channel with 40 subjects, no baseline is removed.
